

JOB ROLE STATEMENT

SAFETY, HEALTH AND WELLBEING BUSINESS PARTNER LEVEL 6

DIRECTORATE HUMAN RESOURCES **CATEGORY 1**
BRANCH SAFETY, HEALTH & WELLBEING **POSITION NO** VARIOUS

KEY RESPONSIBILITIES

Implement Main Roads' Safety, Health and Wellbeing (SHW) Plan through a business partnering model across Main Roads. Provide specialist advice in investigating SHW matters and recommend practical solutions in line with Main Roads' SHW Plan and associated Legislation.

KEY DELIVERIES

SHW Business Partner

- Implement Main Roads' SHW strategy through a business partnering model that delivers effective solutions to stakeholders in line with the Strategy and associated Legislation.
- Provide specialist advice on SHW matters including Injury Management and recommend practical solutions in line with Main Roads' Strategy and associated Legislation.
- Ensure timely communications and information between the Corporate SHW Branch and given directorate/s.
- Provide specialist advice and ensure implementation of corporate policies and procedures and alignment of the SHW Management System.
- Provide specialist advice to Directorate and Contracting partners to assist in the development, implementation, maintenance and review of their Safety Management Plans.
- Co-ordinate change management activities relating to the implementation of corporate SHW initiatives.
- Research, analyse trends and identify risks as well as provide insights, report findings and deliver dependable recommendations to the SHW Manager for decision making.
- Co-ordinate activities that lead toward the achievement of a high performing SHW culture within given stakeholder groups.

Stakeholder SHW Capability

- Provide specialist advice for monitoring, coaching and training to develop SHW operational leadership capability within designated directorates.
- Provide specialist advice for the development and maintenance of support tools and processes and facilitate educational sessions for directorate managers to increase the understanding and requirements in the use of the Corporate SHW Management System.
- Provide specialist advice for the development, review and implementation of appropriate Key Performance Indicators (KPIs) that measure directorate performance in relation to meeting SHW compliance and objectives.
- Participate in and influence the planning, development and implementation process of corporate SHW management initiatives.
- Co-ordinate and deliver SHW related training workshops.

Corporate SHW Management System

- Provide specialist advice for review and ongoing improvement of the corporate SHW Management System.
- Provide specialist advice for managing the SHW Electronic Reporting System of directorate/s across the State.
- Perform investigations, internal audits and participate in strategic developments as required.

Leadership and Management

- Provide operational leadership in SHW matters to challenge and influence appropriate behaviours and the decision making processes within Directorates.
- Promote the philosophy "safety is everyone's responsibility" and reinforce the responsibility of stakeholder participation and performance to Main Roads' SHW management system and in line with associated Legislation.

Stakeholder Relationships

- Consult, liaise and professionally collaborate with Main Roads and external stakeholders to identify SHW issues and implement appropriate improvements and innovations to improve SHW in the workplace.
- Build and enhance working relationships with internal and external stakeholders including Main Roads' directorates.

SAFETY, HEALTH AND WELLBEING (SHW)

Responsible for active participation and performance to SHW standards as detailed by the Main Roads' Safety, Health and Wellbeing (SHW) Management System - refer to "SHW Roles and Responsibilities Procedure" on 'iRoads' intranet.

LOCATION

Main Roads is a regionalised organisation with key delivery centres operating from the Kimberley to the Great Southern regions, including the metropolitan area. The incumbent of this position may be required to undertake a role in a region for a period of time.

DYNAMIC RESOURCING

The incumbent of the position may be required to perform any other role within the incumbent's level of skill, competence and responsibility as directed by the Managing Director of Main Roads to meet the organisation's objectives and the incumbent's development.
