Context

The School Curriculum and Standards Division provides administrative and secretariat services for, and implements the decisions of the School Curriculum and Standards Authority (the Authority). The Authority provides quality curriculum, assessment and standards to enable all Western Australian students to become confident, creative learners and active, informed citizens who contribute positively to society.

The School Curriculum and Standards Division has two directorates – Curriculum, Assessment and Strategic Policy; and Examinations, Certification and Testing. The Division's purpose is to:

- ensure that the Authority remains responsive to the needs of the School Curriculum and Standards Authority Board and the Minister and leading coordination of associated services and support
- direct and manage the development, implementation and review of policies and programs of the Authority associated with Kindergarten to Year 12 curriculum, assessment and moderation
- research best practice in curriculum, standards and moderation
- implement the logistics for the delivery of ATAR course examinations and the National Assessment Program – Literacy and Numeracy across Western Australia
- develop and maintain strategies to acknowledge student performance
- design, implement and evaluate educational measurement activities in Years 11 and 12, including the moderation of external assessment activities
- ensure that data is collected, manipulated, analysed and reported within all required timelines
- develop Externally Set Tasks (EST) and implement the logistics of delivery
- ensure that equitable and rigorous Australian Tertiary Admission Rank (ATAR) course examinations are developed and provided for implementation in all Western Australian schools and international schools that deliver the Western Australian Certificate of Education (WACE)

- ensure that the ATAR course examinations are reviewed at the completion of implementation
- lead the development of examinations in an online environment and ensure that the curriculum is shaped to address the shift into an online environment.
