Context

Education Business Services (EBS) is the key provider of professional business services and support for Western Australian public schools, statutory boards and divisions of the Department. These highly valued services are delivered through the areas of finance, information and communication technologies (ICT), and infrastructure. We continually strive to enhance the capability and responsiveness of our staff, systems and processes across the organisation to deliver high quality education.

We are committed to contemporary work practices and adhere to the following service delivery principles:

Responsive: We respond to and reflect the needs of our customers.

Flexible: We are flexible and understand that our customers are not all the same.

Transparent: We are clear and open about our services, processes and decision making.

Accountable: We hold ourselves to high standards and deliver on our commitments.

Collaborative: We work in partnership with our customers.

The School Funding Branch is part of the Financial Planning and Resourcing Directorate. The Branch is responsible for the management and evaluation of the Student Centred Funding Model (SCFM) and targeted initiatives funding, the transfer of funding to schools and the coordination of student and graduate teacher allowances.
