#### Context

The Department of Education's strategic directions outline the commitment for every child, from Kindergarten to Year 12 to have access to high quality education underpinned by excellence in teaching and quality leadership. This is an education that meets the needs of the learner, preparing them for future success.

Statewide Services provides the services and supports required by schools to enable student achievement, with a focus on those students and schools that need it most. It encompasses both school and system-facing service delivery. While it primarily exists to support schools, it also has an important system-facing role supporting strategy and policy development.

Professional Capability drives the ongoing development of our workforce. Its purpose is to build professional capability to improve student achievement by enabling teaching and leadership excellence.

With a focus on building professional capability, the Teaching Quality and Innovation Directorate strengthens support for teaching and learning excellence in every classroom. It develops and implements core system-wide strategies and priorities focused on developing teaching quality and leads the system's model of profession-led support.
