We are seeking to establish a pool of Primary Teachers for permanent and fixed term, full-time and part-time vacancies which may arise during the 2025 school year and up to the end of term 1, 2026. Appointments may be offered at any time for vacancies that commence during this period.

Mt Helena Primary School can be found in the eastern reaches of the Darling Ranges. Surrounded by native forest, the school provides an opportunity for students to engage in a rich curriculum with a focus on environmental education. The school provides a positive and friendly learning environment and is highly regarded by all who pass through its portals.

The community it serves has wide socio-economic representation and is highly supportive of the ethos of the school. The community works in collaboration with an experienced staff to enhance student outcomes. The success of the Support a Reader Program, through which parents' mentor and tutor children with reading difficulties, illustrates the positive school/community partnerships. Affinity with the school is reflected in the enhancement of the physical environment. A joint school-community project provided an area for community use featuring the undercover area, multi-purpose room, P & C Room and Uniform Store.

The Role

Suitable applicants will promote, model and maintain high expectations and adhere to whole school approaches that are evidence based and supported by research. Suitable applicants will adopt high impact teaching strategies and use ongoing formative assessment to provide feedback to students, measure their progress, and plan differentiated learning programs to address individual student needs with a focus on progress and improvement.

Suitable applicants should ideally be highly motivated, skilled and dedicated educators who are committed to improving literacy and numeracy outcomes for every child, every day, through our whole school approaches, explicit teaching

and instructional strategies. A strong understanding of the Western Australia Curriculum is also desirable. Knowledge of whole school practices would be highly desirable, including Talk For Writing, Heggerty Phonic Awareness/Spelling Mastery, PRIME maths as well as approaches that follow whole school policies, procedures and lesson design formats. Teachers should be prepared to participate actively in whole school, year level, and learning area planning and curriculum development. Working with the community and engaging parents in the learning programs is a key focus.

Professional Benefits

Working for the Department of Education you will enjoy a range of benefits including competitive salaries, flexible working arrangements, training and career development opportunities and attractive leave provisions.
