

Menno Henneveld Scholarship

The Menno Henneveld Scholarship provides **regionally based students** financial support and valuable development opportunities while studying their urban and regional planning university degree.

At Main Roads we recognise the impact and value that our graduates bring to our organisation. Many of our current Project Managers, Regional Directors and Executives started their careers as graduates and Engineering Associates. Main Roads recognises the importance of supporting students to reach their full potential to excel in their future careers.

The Menno Henneveld Scholarship was designed to nurture and develop future Engineers, Planners and Engineering Associates by providing financial and professional support to allow you to focus on your commitment to study and ease some pressure as you learn away from home.

The Scholarship proudly offers:

- **Tuition Fee Support** compulsory tuition fees paid by Main Roads
- **Generous Financial Support (Sustenance Allowance)** based on current year of study – between \$780 to \$1,075 per fortnight (reviewed each year)
- **Rental Assistance**
- **Paid Vacation Work**

We are committed to achieving a diverse workforce and strongly encourage Aboriginal and Torres Strait Islander people to apply.

Scholarship Benefits

- Receive personal and professional support from industry experts and leaders
