

# Graduate Landscape Architect Program

The Graduate Landscape Architect Program will provide you **exciting, diverse and hands-on practical experience** through a three-year rotational program within our Environment and Heritage Branch.

## Begin your Career at Main Roads!

Our main goal is to help you grow. As a leader, as a thinker – and as an individual who has an impact in our communities.

As a Landscape Architect Graduate at Main Roads, you will gain hands on practical learning and experience across a number of specialist and operational areas.

Your contribution will benefit our stakeholders and communities and will be rewarding no matter where your involvement takes you.

Our Landscape Architect graduates experience a three (3) year rotational program, with exposure to all facets of urban and landscape design. Work and learn from passionate specialists within a high performing and experienced team, undertaking various responsibilities in the following areas:

- Delivering urban design in built form treatments of road infrastructure
- Hard and soft landscaping
- Public and community art in road infrastructure

- Liaison with internal stakeholders including engineers and project managers
- Liaison with external stakeholders including government departments, local government authorities and consultants

If the idea of an attractive remuneration package, well-structured rotation plan, participation in real life decisions and action, formal training to support your development, and flexible working arrangements is what you are looking for; Main Roads can build your future and will invest in your growth as a person and a professional.

We are seeking highly motivated graduates who are prepared to tackle complex issues, have excellent communication skills and thrive working in a dynamic team environment.

We are looking for proactive results-driven people to help deliver our commitment to building a better WA.

**We are committed to achieving a diverse workforce and strongly encourage Aboriginal and Torres Strait Islander people to apply**

## Your Future, Our Direction

If the idea of an attractive remuneration package, well-structured rotation plan, participation in real life decisions and action to improve sustainability and community amenity, formal training to support your development, and flexible working arrangements is what you are looking for; Main Roads can build your future and will invest in your growth as a person and a professional.
