

# Graduate Heritage Program

The Graduate Heritage Program will provide you **exciting, diverse and hands-on practical experience** through a three-year rotational program within our Environment and Heritage Branch.

## Begin your Career at Main Roads!

Our main goal is to help you grow. As a leader, as a thinker – and as an individual who has an impact in our communities.

As a Heritage Graduate at Main Roads, you will gain hands on learning and experience across a number of specialist and operational areas.

Your contribution will benefit our stakeholders and communities and will be rewarding no matter where your involvement takes you.

Our Heritage graduates experience a three (3) year rotational program, with exposure to all facets of Heritage. Work and learn from passionate specialists within a large, high performing and experienced team, undertaking various responsibilities in the following areas:

- Participation in various aspects of Main Roads processes to avoid and minimise impact to Aboriginal and Historical Heritage places.
- Liaison with internal stakeholder including engineers and Project Managers
- Liaison with external stakeholders including Government Departments, Local Government Authorities and Traditional Owner Groups

- Coordination of and attending heritage surveys and review of survey reports and spatial data

If the idea of an attractive remuneration package, well-structured rotation plan, participation in real life heritage decisions and action, formal training to support your development, and flexible working arrangements is what you are looking for; Main Roads can build your future and will invest in your growth as a person and a professional.

We are seeking highly motivated graduates who are prepared to tackle complex issues, have excellent communication skills and thrive working in a dynamic team environment.

We are looking for proactive results-driven people to help deliver our commitment to building a better WA.

**We are committed to achieving a diverse workforce and strongly encourage Aboriginal and Torres Strait Islander people to apply**

## Your Future, Our Direction

If the idea of an attractive remuneration package, well-structured rotation plan, participation in real life environmental decisions and action, formal training to support your development, and flexible working arrangements is what you are looking for; Main Roads can build your future and will invest in your growth as a person and a professional.
